Herman Pfeiffer, 22-years old, of Owensboro, a freshman in the College of Arts and Science, University of Kentucky, came to his death in the Kentucky River, at Clifton, six miles from Versailles, yesterday afternoon at 3:45 o'clock.

The body was recovered by members of the dredging party last night at 9:57 o'clock. Indications are that the boy suffered a heart attack and died as a result of this rather than from drowning.

## WET, COLD MAY WEATHER DAMAGES CROPS GREATLY.

Washington, June 3. — Agricultural developments of the month are of a somewhat uncertain character. Whereas climatic and soil conditions previously had been favorable the wet, cold weather of May interfered with crop development and, as a matter of fact, great damage has been done in certain sections of the country.

The fruit crop over wide areas has suffered severely. The Department of Agriculture reports.

## WOMAN GETS LIFE TERM; SLEW HUSBAND.

Bridgeport, Conn., June 3. — Mrs. Ethel Hutchins Nott, on trial here charged with the murder of her husband, George B. Nott, pleaded guilty to murder in the second degree. Judge William M. Malbis sentenced her to life imprisonment.

Mrs. Nott changed her plea after counsel for the state introduced letters alleged to have been written by her to Elwood B. Wade, who was recently hanged for murdering Nott. The letters were said to have been written while Mrs. Nott and Wade were in jail awaiting trial.

## SENATOR BYRON "FEELING OUT."

We get the grapevine information that W. A. Byron, of Brooksville, is being urged by his many friends to make the race for Representative in the Bracken-Pendleton district. Mr. Byron is a tall sycamore in Democratic circles, and is a ripe statesman who would be a representative that could accomplish much for the district. This grapevine message says Mr. Byron is now leaning on the ropes with his beaver in his hand and he may cast it into the political arena.—Falmouth Outlook.

## ACT QUICKLY

Do the right thing at the right time. Act quickly in time of danger. In time of kidney danger, Doan's Kidney Pills are most effective. Ask your neighbor.

Plenty of Maysville evidence of their worth. Fred Dresel, proprietor tailor shop, 1233 East Second street, Maysville, says: "I am glad of the opportunity to recommend Doan's Kidney Pills. I was troubled with inflammation of the bladder and annoyance from my kidneys. When passing the secretions they burned terribly and often bordered on a stoppage. I had severe aching pains across the small of my back which greatly interfered with my duties. I was telling a friend how my kidneys acted and he advised me to get a box of Doan's Kidney Pills at Wood & Son's Drug Store. I began taking Doan's and they gave me prompt relief. Doan's did me lots of good and I know they are an excellent remedy."

Mr. Dresel gave the above statement February 6, 1908, and on November 22, 1920, he added: "I think just as highly of Doan's Kidney Pills today as I did when I gave my former recommendation many years ago. My cure has been a lasting one."

Price 50 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dresel had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
